

## Finally, A **Ceiling Company** That Provides **High Quality** and **Shows Up On Time**

B&B Ceilings is a fully licenced, locally owned business run by Ben and Shanna Bourke. Ben has over 14 years' experience in the building industry providing the highest quality construction or repairs for local Adelaide residents and families.

Ben prides himself in providing customers with dedication, quality and satisfaction on every job. Ben has instilled the old fashioned work ethics his father taught him throughout his team, which means every small detail is dealt with and accounted for. Ben personally oversees all jobs and treats them as if they were his own home being repaired or constructed.

From start to finish you can expect first class service. Initially Ben will meet you onsite and take the time to listen to your requirements. He will give you options and ideas and recommend those that will give you the best result and value for money.

Ben will take the time to thoroughly assess your job and work out the most suitable solution, giving you prompt, personalised service.

Ben personally guarantees his workmanship and will clean up the site so well that the only way you'll know he's been there is by the value added to your home.

### Did You Know We Can...

**Insulate, gyprock, flush and cornice your home or business.**

**Organise a carpenter, electrician, plumber or painter to complete your construction or repairs.**

**Turn your shed or carport into that extra room or office you have dreamt about.**

**Add extra light to your room by organising a skylight to be fitted.**

**You will be dealing with fully qualified, ethical and efficient tradespeople. Your site will be left totally clean and tidy; all rubbish will be removed after work has been completed. If you are not completely satisfied with the job we will contact you within 48 hours to organise a time to site the problem and then repair within one week of the site date.**

### Don't Just Believe Us, Listen to What Our Past Clients Have Said

We have used B & B ceilings on numerous occasions and have found them to be professional, honest and skilled in their work and they really do clean up when they've finished! **Shelley, Parafield Gardens**

We used Ben from B&B Ceilings to do the gyprocking in our extension at Daw Park. The plaster cornice we had chosen was the dental design, which was matched perfectly in the corners, and around jutting walls. Ben was very easy to deal with, polite, on time, and his finished work was of a high standard. Based on our dealings with him, and the quality of his work, we have no hesitation in recommending Ben Bourke of B & B Ceilings.
