I have read and understood the conditions of application and purchase on page 1 and page 2

CUSTOMER SIGNATUREPRINT NAME.....DATE.../.../....

Please read the conditions on page 2 carefully and sign both pages of the order form
 For the List of Grapevine Varieties and Clones held by the Department of Primary Industry & Regional Development WA,
 and the Varieties and Clones established in WAVIA source blocks see page 3
 ALLOCATIONS SUBJECT TO AVAILABILITY

ORDERS WILL BE PROCESSED ONLY IF THE APPLICANT COMPLETES IN FULL AND SIGNS PAGES 1 & 2 OF THIS ORDER FORM AND FULL PAYMENT IS ENCLOSED OR REMITTED.

CONDITIONS OF APPLICATION AND PURCHASE - PLEASE READ CAREFULLY:

1. Orders for WAVIA propagation material will be received only on this form.
2. Orders are to be forwarded to: Western Australian Vine Improvement Association Inc.
PO Box 941 MARGARET RIVER WA 6285
3. Payment is to be made in full with this application. Cheques to be made payable to WA Vine Improvement Association Inc. Order forms received without full payment enclosed or remitted, will not be accepted. Direct Deposit payments can be made to: Western Australian Vine Improvement Association, Bank West BSB: 306094 Account #: 4196290 Please include applicant's name in the payment description.
4. **APPLICATIONS CLOSE AT 2.00P.M. ON 30th MAY.**
LATE ORDERS WILL NOT BE ACCEPTED.
5. Applicants will be advised of allocation estimates in June.
6. If there is a limited supply of the requested material, it may be supplied on a pro-rata basis.
Large orders may only be partially filled.
7. Although WA Vine Improvement Association Inc. takes every care to ensure that all propagating material is true to label and is the best currently available to the WA industry, it does not accept any responsibility or liability for any grape vine propagating material identity, health or performance. The Buyer acknowledges that the WA Vine Improvement Association Inc. can give no guarantee as to the vine propagation material, or of the absence of viral/viroid infection, phytoplasma infection, bacterial infection, fungal infection or any other pest or disease.
8. The arrangement for the pick-up and transport of the material from the source determined by the WA Vine Improvement Association Inc. is the responsibility of the applicant.
9. Distribution of material will take place at the time of cutting or by the end of August.
(Contact your regional representative for more details)
10. Cancellation of an order will be received up to 2.00p.m. 30th May in which case all monies will be refunded. Receipts and refunds will be issued in September. The receipt will be able to serve as a Tax Invoice for GST purposes.
11. If a particular clone is not nominated, the applicant will be supplied with available material of that variety.
12. WA customers will receive preference in the allocation process.
13. **Interstate orders will only be considered from customers with a delivery address in Victoria or via an accredited Victorian Grapevine Nursery. Additional fees and charges apply.**
14. In the event of limited supply of a variety-clone minimum charges still apply.
15. The WAVIA Rules are available for download from the website www.wavia.org.au

Full name of applicant: _____ (Person completing and signing this form)

Trading name: _____

Residential/Business address: _____ (Not a post office box)

Postal address: _____ Postcode: _____ (If not as above)

In what region will this material be planted: _____

Mobile: _____ Landline Phone: _____

E-mail: _____
