Dear Rhianna,

On behalf of the staff and patients at Sydney Children's Hospital I would like to sincerely thank you for your donation of quilts.

Spending time in hospital may not be all that much fun – especially when you are a child, and everything is done to make this time special for those who must stay. Your donation helped brighten someone's day.

Your support of Sydney Children's Hospital is greatly appreciated by all of us here.

Kind regards,

Linda
