

## Vanuatu Golf Marathon - Thank you Cargo Line International Pty Ltd

I would like to thank you for your sponsoring the 2015 Mission Vanuatu Golf Marathon.

Your direct sponsorship in this event meant that we were able to raise \$ 18,508.00.

The money we raised will be used to build 2 class rooms in the village of Mataloi. Currently the children who attend school at Mataloi come from 20 surrounding villages. These children walk to school each day and for some children who live further away, they will walk for up to eight hours to get to school, stay in the village during the week and then return home on Friday afternoon.

These classrooms will provide the opportunity for additional children to attend school, and replace an existing classroom that is falling down.

In August a group of keen and eager men will be heading to Vanuatu to undertake a project which will see the construction of 2 classrooms at Mataloi village in the northern centre of Espiritu Santo, Vanuatu. Please follow our journey on face book, you will find us here!

Thanks again and we hope you will continue to support us in your prayers and thoughts.

Kindest regards
