#### Recommended hats

Hats should shade the whole face, neck, ears and head. These types of hats provide excellent protection from the sun:

- broad-brimmed hats with a brim of at least 7.5 cm
- legionnaire-style hats (the side flap and front peak should meet to provide protection to the side of the face)
- bucket or surfie style hats with a brim of at least 6 cm (for primary school children and older) or 5 cm (for pre-school children).
