

LIONS CENTENNIAL DISTRICT CONVENTION

Lions through the Ages

COUNTDOWN: 80 DAYS

“Lions through the Ages” is incoming District Governor Pat Mill’s theme for the 41st V5 District convention to be held at Box Hill Town Hall.

Guest Speakers

We are very excited to announce that MD201 Legal Officer PCC David Skinner OAM and LCI International Director PCC Tony Benbow OAM will be keynote speakers. More announcements to follow soon!

Car Parking

There will be plenty of car parking available for the convention. We will have exclusive access to parking at the rear of the Box Hill Town Hall and next door at the Box Hill Institute.

Youth Forum

The V5 District has nearly 100 Leos and in recognition of their importance to our District we will be running a Youth Forum with a panel of experts and participation from youth leaders. This event will be open to the public and will provide insight to all LIONS on the issues most important to young people.

Memorabilia

In keeping with the centennial theme, we would ask all clubs to begin collecting memorabilia to showcase at the event. There will be displays of club history spread throughout the historic Town Hall- photos, banners, books and awards.

Collection Points

Start collecting your stamps, children’s books and spectacles!

We will have collection points for:

Lions Cord Blood, 123Read2Me and Lions Eyeglass Recycling.

We would like to thank the generous support of our sponsors:
