

MONDAY 1st May 2017

Early Years Learning Framework Outcomes

Outcome 1 – Children have a strong sense of identity.

Outcome 2 – Children are connected with and contribute to their world.

Outcome 3 – Children have a strong sense of wellbeing.

Outcome 4 – Children are confident and involved learners.

Outcome 5 – Children are effective communicators

We would like to welcome Valentino and his family to Early Years Preschool. It's great to be back after our Easter break.

Number practise

Each day we find new and interesting ways to practise counting and number recognition. Today we had fun finding various numbers and matching them using ping-pong balls and mini cups.

You can encourage counting in every day situations such as counting out cutlery needed when setting the table, counting steps, giving choices eg choose 3 books, counting lego pieces, cooking activities, counting pegs etc

The children couldn't wait to get back to drawing, cutting and crafting.

We read a great story called, "Are You My Mother?" The children enjoyed listening to the story and joining in the familiar parts. They are well on their way to becoming engaging readers!
