## Working Out Doors!

Today we discovered a new outside sink.

Together we collected water from the bucket, brought it over to the sink and did lots of muddy mixing!

We got a little muddy and wet but had a great time. We talked about what we were making, helped one another and made cement, pies and icecreams.

## Art Space

The art space provides an

environment that helps us to express our ideas creatively.

Aambar and Valentino worked alongside each other creating very individual works of art.

Aambar enjoyed making swirls whilst Valentino made an exploding volcano.

**Mothers Day**

**Happy Mothers Days Mums!**

The children have all worked hard to acknowledge how special you are; this is reflected in our craft creations and paintings.
