the month ahead

March

at a glance

FNQ Championships:- our team march past last year, holding up our banner, and with our stingray hats, and stingray 'shields' on our backs

March 'Dive-In Movie' - Kubo and the two strings animated movie; rating PG - contains mild possibly scary scenes for younger viewers

AFL Final - ushering at Cazalys Fundraising event saturday afternoon / evening; ushering & programme-selling volunteers - minimum quota numbers confirmation required - see Jason

Club Night Notices

With our own carnival now out of the way, this month holds a variety of different events for the Club; with three more friday club nights, a fundraising BBQ outside Bunnings - for which we have distributed a roster for helpers. Please support us if you can. The middle of the month now has our rescheduled Movie Night, on a saturday, featuring the movie Kubo - and the two strings; we hope to get as much interest in this as possible, and make it a success. Towards the end of the month is yet another of our regular fundraising events - ushering at the AFL final at Cazalys, for which they need firm numbers.

This month's Carnivals

FNQ LC CHAMPIONSHIPS - Sat-Sun 3-4 March; Tobruk Memorial Pool Saturday - doors open 7am for 8 start Sunday - 8am for a 9am start

Entry cost \$4 per adult (each day)

Nominations close Mon 26th Feb.

The finale of the season - all teams parade in their club colours - or costumes - for the March Past, followed by a full program of events; prizegiving ceremony at the end. Nominations have closed for this and Stingrays has a grand total of 40 swimmers attending - this I believe may be our largest contingent at a carnival so far! Everyone remember your shirts, and we hope the Club Captains have put together a little routine, chant, or costumes that our 40 swimmers can all take part in! This occurs on saturday morning after the first session of long-distance races, then followed by session 2 for the rest of the day, with relays in the middle. Relay teams will be selected on the day, composed of as many swimmers that are willing to take part; Sunday begins with medley relay races and the remaining events of the programme,

Stingrays' Dates for your Diary

Sat-Sun 3-4 Mar
