Monthly Club Nights:- There is one more of our "off-season" monthly club nights – for July, held on Friday 27th.

Events this month:

FNQ SHORT COURSE CHAMPIONSHIPS

Sat-Sun 4-5 August;
Gordonvale Pool

This is the culmination event to our 'short' Short Course season which has been in effect over the last

few weeks, with a couple of Preparatory Meet carnivals held at TAS Swimming to enable swimmers to obtain their latest times. Note, times in events are required by swimmers entering for the championships, although long course times may be acceptable. Nominations close 30 July.

QLD STATE SHORT COURSE CHAMPIONSHIPS –

Fri-Sun 17-19 August;
Sleeman Sports Complex, Chandler

Mid August sees the 3-day State Short Course Championships held in Brisbane. Minimum age for entrants is 11 at the first day of competition. Qualifying times are required as per the stipulations given; information can be found on the SQ website (link left).

Stingrays may be submitting a small party of eligible competitors this year; we look into group accommodation and transport, and pool food costs to make it as affordable as possible. The club also has a financial assistance 'allowance' for swimmers
