Chairmans XII (Anzac Test)

The now traditional ANZAC test series between the BQ Chairmans XII and the Australian Defence Forces will be held this weekend at Manly Bowls Club. Mr Phil Black, President of the Australian Services Bowls Association's (ASBA) says that this event, now in its third year, has become one of ASBA's highest priorities. The Chairman of BQ Peter Williamson is also proud to be associated with this event and has chosen a team of diverse bowlers, some of whom have overcome disabilities to play and compete.

The format schedule will begin at 12 noon with an ANZAC ceremony and the first test gets underway around 1.15pm.

Our thanks to Manly Bowls Club for their support of this event and let's get a crowd along to support both teams.

Keeping the History Alive

Earlier this month, all Queensland Clubs would have received an email from the BQ office seeking information regarding the history of their clubs. We are all saddened to see the demise of some of our most famous clubs and unfortunately, it seems that others may follow. At the very least they are having to change their approach and product offering to remain viable. BA and BQ want to ensure the history of our game and our clubs is not lost.

Bowls Australia have launched a campaign to collect information from as many of our clubs as possible and to ensure it is saved with the Bowls community. The email was from Stephanie Waters at BA office and asked for a few simple questions to be answered. A brief history, photos of events and/or honour boards related to your club would be welcomed I am sure. If you did not see the email, please call Cath in the BQ office.

Tugun picks up the U18 Test

Great news that the Tugun Bowls Club will host the QLD vs NSW Under 18 Test Series. This series will be held from July 3 to 5 and will feature some excellent young talent from both states
