

DEALERS VEHICLES... Kris Humphries of TJM 4x4 Megastore

2016 TOYOTA LANDCRUISER GXL

Kris Humphries is well know and well loved in the Brisbane 4WD scene and his 2016 LandCruiser GXL is too.

Not only is this fantastic vehicle the company show pony, it's also his daily driver.

Fitted out with all the best gear that TJM has to offer, it's a draw card wherever it goes.

But Kris and his family aren't shy about getting out in the dirt. In fact they love to getaway most weekends. So all the mods are for go, not just for show.

This is how to do a 4x4 properly. It is able to take on almost any terrain and get you home safely.

While Kris's wife loves the side steps, Kris loves the RV drawer system saying "they are just the best drawers money can buy".

Modifications:

- RV Storage Solutions drawers
- ATX Wheels
- Toyo Open Country RT Tyres 33x12.5R18
