

# The Victorian Rabbit Assoc. Inc BREEDER DIRECTORY FORM

We have decided to offer our members a Breeders directory section on our club website. Which enables you to have a Stud advert including your Name, Contact details and the breeds you keep displayed for all to see!  
We do not do ads for rabbits for sale, but this will give all our members information on which breeds are being kept at your stud. We do have interstate members, so this will help in that aspect.
