

SOME COMMON LAND SNAILS OF THE EYRE PENINSULA

Native snail species:

Pupoides adelaidae
Adelaide Pupasnail

Pupoides myoporinae
Southern Sinistral
Pupasnail

Omegapilla australis
Bronze Pupasnail

Huntiana nesana
Port Lincoln Pinwheel
Snail

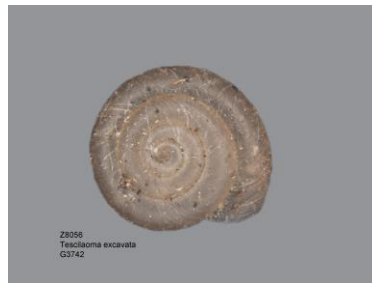

Excellaoma retipora
Woodland Pinwheel Snail

Egilodonta eyrensis
Eyre Peninsula
Pinwheel Snail

Paralaoma insularis
Spencer Gulf Pinhead
Snail

Tescilaoma excavata
Smooth Pinhead Snail

Paralaoma stabilis
Evenly-ribbed Pinhead
Snail

Bothriembryon mastersi
Master's Tapered Snail

Bothriembryon barretti
Barrett's Tapered Snail

Bothriembryon angasianus
Eyre Peninsula Tapered
Snail

Cupedora nottensis
Mount Nott Shrubland
snail

Cupedora patruelis
Burgundy Shrubland
Snail

Cupedora rufofasciata
Red-banded Shrubland
Snail

Cupedora lincolnensis
Port Lincoln Shrubland
Snail

Glyptorhagada duvalae
Duval's Wrinkled Snail

Sinumelon bitaeniatum
Twin-banded
Dwarfmelon

Sinumelon flindersi
Port Augusta
Dwarfmelon

Sinumelon gawleri
Greater Gawler Ranges
Dwarfmelon

Sinumelon petum
Lesser Gawler Ranges
Dwarfmelon

Austrosuccinea australis
Southern Amber Snail

Echonitor euroxestus
Eyre Peninsula Glass-
snail

**Introduced
species of snails
and slugs:**

Cornu aspersum
European Garden Snail

Theba pisana
European White Snail

Cernuella virgata
Vineyard Snail

Cochlicella acuta
Pointed Snail

Prietocella barbara
Small Pointed Snail

Microxeromagna lowei
Citrus Snail

Deroceras invadens
Invasive Field Slug

Limax maximus
Leopard Slug

Deroceras reticulatum
Grey Field Slug

Limacus flavus
Yellow Cellar Slug

Lehmannia nyctelia
Striped Field Slug

Milax gagates
Jet Slug

Deroceras laeve
Marsh Slug
