RISTORANTE ITALIANO

Welcome to IL Parco!

The restaurant's name pays homage to the owner's hometown which is part of the Parco Nazionale D'Abruzzo in Italy. Parco Nazionale runs throughout Abruzzo and is known as the 'greenest region in Europe', protecting and preserving the land's natural beauty and it's inhabitants, in particular, the Marsican Brown Bear.

We are honoured to welcome you to our venue and hope you enjoy your stay!
