McGuigan Wines

McGuigan Wines as we know it now was started by Brian McGuigan and wife Fay. Younger brother Neil McGuigan brought his winemaking talents to the winery. Sharing in a love of good wine, passion, dedication and an unwavering commitment to quality wine, the trio are the driving force behind McGuigan Wines. Today McGuigan Wines are proud to say they're one of the most awarded wineries in the world.

They've come a long way from their humble beginnings in the Hunter Valley, but remain true to their winemaking heritage. To be the only winery in the world to have won 'world's best winemaker' four times is a testament to their commitment to quality.

Kelman Vineyard

Kelman Vineyard estate comprises c.100 acres nestled in the quiet corner of Pokolbin near Mount View. The vineyard area covers 23 acres where they grow Semillon, Chardonnay, Shiraz, Muscat and Tempranillo grapes. From these grapes they produce traditional premium wines including blends and rosé.

Drayton's Family Wines

Established in 1853, Drayton's are one of the Hunter Valley's pioneering winemaking families and it is one of the few companies that are still family owned and operated. The Drayton family is very proud of its history over six generations and the part it has played in the development of the region that is now known as "Hunter Valley Wine Country".
