AMAZING FIRE & WATER TOUR

20~29 People \$75.00 Each

30~39 People \$70.00 Each

40~44 People \$65.00 Each

Departing your pick up location today we travel out to Penrith & Warragamba in Our 5 Star Luxury Long Distance Coach for a Day to remember.

Starting off with Morning Tea at The Museum of Fire we then have a guided tour. Most of the tour guides are Firefighters, both serving and retired. They will thrill and entertain you as they bring displays alive with information and stories. A visit to this museum may save your life or that of our families with the fire education you can gain from a visit. You can also ask that question you have always wanted the answer too!

The Museum of Fire has one of the World's largest and most unique fire collections. Within its collection it contains an impressive amount of Fire Fighting equipment and memorabilia. It represents equipment from NSW, other states of Australia and Countries around the World. The main part of the Museum's large collection encompasses hand drawn, horse drawn and motorised vehicles dating from the late 18th century up to the 1980s. Many of the great names in the automotive and fire fighting industries from Australia and all over the world are represented in this collection. You will be overcome by the variation, age and unique construction types.

After an interesting morning we enjoy lunch at Penrith RSL Club. Located inside the Penrith RSL Club, Star Buffet offers you great value gourmet buffet, ranging from Australia, Asian and European cuisine, roast duck and BBQ pork plus all your favourite seafood and roasts, not to mention the many tempting desserts in a relaxed and friendly atmosphere.

WARRAGAMBA DAM

SYDNEY'S LARGEST WATER SUPPLY DAM

After lunch, we visit Warragamba Dam, one of the largest domestic water supply dams in the world. Pause at the Workers' Memorial and pay your respect to the 14 dam builders who died during construction. Gaze down upon the dam wall and a small part of Lake Burrororang (The lake created by the dam stretches back 52 kilometres from the wall) from the deck of the magnificent visitor centre, perched high on a rocky outcrop. Step inside the modern visitor centre and enjoy an even better view of the dam. Take a journey through the water cycle in the 'Water for Life' exhibition. Be amazed by the unique 'drops of wisdom' interactive table.

After exploring the visitors centre we rejoin our coach for a leisurely journey home.
