After Lunch we board the Coach and head over to Parramatta Park for a Guided Tour of Old Government House. Standing in 200 acres of parkland overlooking historic Parramatta, Old Government House is Australia's oldest surviving public building. For seven decades it was the 'country' residence of 10 early governors of the colony, including Governor and Mrs Macquarie who, from 1810 to 1821 preferred the clean air and space of rural Parramatta to the unsanitary and crime ridden streets of Sydney Town. Visitors to the property today can step back straight into the fashions of 1821, with Anglo and Indian influences and strong emphasis on colour, through a meticulously researched 'soft furnishings' program. Rooms are furnished with pieces from National Trust's collection of early colonial furniture; the largest collection in Australia.

After our Guided Tour we reboard the Coach and say goodbye to Yesteryear and leisurely make our way back home.
